## CORPORATE NEWS

### KUCCPS Awarded for Financial Excellence and Transparency

KUCCPS CEO Dr. Agnes Mercy Wahome

The Executive Office of the President has recognised KUCCPS and its Chief Executive Officer Dr. Agnes Mercy Wahome for excellence in public finance management. The award, which cited KUCCPS for achieving an unmodified audit opinion from the Auditor-General for the Financial Year 2023/2024, was presented to the CEO during the 2025 End of Year Public Service Reflection Dinner. An unmodified audit opinion represents a clean bill of health on a public entity's books of accounts, operations and compliance with national laws and regulations.

Officers from the Directorate of Placement Coordination and Career Development as well as Corporate Communication and Customer Experience Division participated in the Public Relations Society of Kenya Annual Summit held from 1st to 6th December 2025 in Uasin Gishu County. The forum's discussions were centered clear, concise and compelling communication. KUCCPS is committed to providing continuous professional development opportunities to staff to enhance service delivery standards.

## Editor's Note

Hello Readers,

As we close the year 2025, we take a moment to reflect on the milestones, partnerships and achievements that have shaped our journey at KUCCPS. This month's bulletin captures not only our commitment to financial excellence and transparent public service, but also the growing impact of our engagement with students, institutions and communities across the country.

From national recognition for sound financial management, to strengthened communication, to our participation in university graduations and regional career guidance outreach, each activity signifies our dedication to ensuring that every learner is supported to access quality education and pursue a fulfilling career.

We appreciate the institutions and partners who have walked with us this year, and we celebrate the thousands of graduates who are stepping into the next chapter of their lives. Many of whom joined higher education through the KUCCPS placement process.

As we usher in a new year, we remain committed to delivering equitable, fair and efficient placement services, while expanding meaningful career guidance for all.

Thank you for reading, and happy holidays!

Janet Arum, MPRSK

## Garissa University Conference 2025

We were thrilled to join Garissa University fraternity for their 2nd International Conference on Innovation, Resilience, and Sustainable Development (IRSD-2025) on December 3, 2025. KUCCPS Garissa Huduma Centre officer not only represented the institution but also used the occasion to support students with matters related to placement, inter-institutional transfers and career guidance. Vice Chancellor Prof. Ahmed Warfa officially opened the event and launched both the Garissa University Multidisciplinary Journal on Research and Sustainable Development and the Garissa University Alumni Association.

## 2025 Graduation Special

As the end of the year 2025 approached, universities and colleges held their graduation ceremonies, the most significant event in a higher education institution that signifies successful completion of studies. For KUCCPS, graduation ceremonies are not only a moment to join students in celebrating their academic achievements, but also an opportunity to witness – with pride – beneficiaries of KUCCPS placement and career guidance move a step closer to their desired careers. We bring you a recap of some of the graduation ceremonies that we have attended in the recent weeks.

### Tharaka University:

CEO Dr. Agnes Mercy Wahome joined Tharaka University during its 4th Graduation Ceremony. In her address, the CEO encouraged the graduates to embrace innovation, responsibility, and ethical practice as they work to contribute to national development and global sustainability goals.

### Technical University of Mombasa:

KUCCPS was represented at the Technical University of Mombasa during its 12th Graduation Ceremony. The participation reaffirms the Placement Service's commitment to walking with students through their career journey and strengthening the link between education and professional practice.

### Kenya Medical Training College:

KUCCPS was delighted to join KMTC in celebrating its 94th Graduation Ceremony. The event, which was officiated by Deputy President, Prof. Kindiki Kithure, brought together national leaders, development partners, families, and thousands of students to witness the graduation of 22,776 new health professionals. They include 7,614 students who were placed by KUCCPS to pursue medical training at the institution. By placing students to KMTC campuses, KUCCPS continues to contributes to equitable access to medical training through a fair, transparent and efficient process.

## Career Guidance Corner

### Aligning Careers in Bomet, Kericho and Narok Counties through Bootcamps

In the month, our officers also participated in a bootcamp organised by the Kenya Students Christian Fellowship, where they engaged learners from Bomet, Kericho, and Narok counties. During the forum, the officers sensitised 1,100 secondary school students, 150 KCSE graduates, 55 teachers, 28 junior secondary learners and 31 college students on placement to learning opportunities and career pathways. Through such engagements, KUCCPS continues to support learners' dreams through effective and efficient career guidance and mentorship.
