1. Preamble
The Kenya Universities and Colleges Central Placement Service (Placement Service) has been established as a Body Corporate under Section 55 of the Universities Act, 2012 with the following functions;

(a) To co-ordinate the Placement of the Government Sponsored Students to Universities and Colleges.

(b) Disseminate information on available programmes, their costs, and the areas of study prioritized by the Government.

(c) Collect and retain data relating to University and College placement.

(d) Develop career guidance programmes for the benefit of students.

(e) Advise the Government on matters relating to University and College student placement.

Pursuant to its placement function, the Placement Service Board has developed a placement policy that will guide the placement of students to universities and colleges. Guided by the Placement Policy, this document outlines the Placement Process to be used by the Placement Service. The following activities are described in detail:

1. Online Registration of Institutions
2. Declaration of Capacities by the Registered Institutions
3. Application of Applicants
4. Placement of Applicants

2. Online Registration of Institutions
The Placement Service will register all Universities and Colleges which are eligible for placement of Government sponsored students.

2.1. Registration Process
Institutions that exist in the database will be required to formalize their registration online and provide or update the following information:

- Institution Details:
  - Physical Address of the institution
o Email address of the institution
  o Website of the institution where applicable
  o Telephone/Mobile Number
  o Registering Body/Authority

- Contact Person Details:
  o Names
  o Postal Address of the contact person
  o Email Address of the contact person
  o Telephone Number
  o Mobile Number

- System User:
  o names
  o Email Address

An email will be sent to the system user provided above with an activation link to enable them to log in once they click on it.

For the institutions that do not exist in our database, they will fill in a request form by providing the following information:

- the name of the institution
- the abbreviation of the institution
- the ownership type (public, private)
- the institution type (university, TVET, Medical Training College, national polytechnic, teacher training college, university)
- the charter/registration year
- contact details

This information will be reviewed and validated with the regulatory bodies and a reply will be relayed back to the institution via email and SMS. If accepted, they will follow the normal registration process as above.

2.2. Annual Membership Fee
Institutions will be required to pay an annual KUCCPS membership fee as follows:
2.3. **Payment Mode**

Payment of the membership fee shall be done through the KUCCPS MPESA mobile utility account following the instructions below:

i. Go to MPESA on your phone

ii. Select Pay Bill option

iii. Enter Business number **820200**

iv. Enter 4 digit institution code assigned by KUCCPS as your account number

v. Enter the Amount

vi. Enter your MPESA PIN and Send

2.4. **Validation of Institutions**

In order to be considered for registration, an institution must fall under any of the following categories:

a) a university registered by Commission for University Education (CUE) or its predecessors offering bachelors degree programmes

b) a college registered by Technical and Vocational Education and Training Authority (TVETA) or its predecessors offering diploma programmes approved by the TVETA Certification Council

Therefore, there will be a predetermined list of all universities and colleges approved by either CUE or TVETA or their predecessors and institutions will register themselves against this list.

2.5. **Feedback**

On successful payment, two SMSs will be sent to the number sending the payment. One from MPESA and another from the KUCCPS system.

Successfully registered institutions will be issued with a KUCCPS membership certificate.
Institutions that have registered may log in and add campuses, users and upload their programme information online to the system.

3. Declaration of Capacities for Registered Institutions
For any programme to be eligible for receiving application and placement of the Government sponsored student it must be approved by the respective regulating agency and be offered exclusively by the eligible University or college. Institutions successfully registered with the Placement Service online will provide their programme information and declare capacities available in their respective institutions for government sponsorship. The Placement Service shall then publicize the declared capacity received.

3.1. Programme Information Requirements
Institutions will be required to provide the following information for each of their programmes within 14 days of registration:

- Programme name
- Delivery mode (fulltime or part time)
- Minimum admission requirements
- KCSE Admission requirement
- Regulatory Body
- Examining Body
- Professional Body
- Programme Costs (Tuition Cost, Other Costs)
- Campus where the programme is offered
- Programme Capacity

3.2. Validation of Programmes
After institutions have submitted their programme information, it will be validated against the regulatory bodies.
3.3. **Programme Codes and Abbreviations**
Programmes will be assigned program codes and given abbreviations to identify them. The program code will be 7 digits (4 digits for the institution code and 3 digits for the programme).

3.4. **Similar Programmes**
Grouping of similar programmes shall also be approved by the KUCCPS Board.

3.5. **Clustering**
Programmes will then be grouped into clusters by KUCCPS.

The Weighted cluster formula will then be used to calculate the weighted cluster points for each applicant for each cluster developed above.

3.6. **Minimum Admission Requirement per programme cluster**
The KUCCPS Board shall approve the minimum admission requirements for each programme cluster developed.

3.7. **Programme Cut-Off Points**
Cut-Off points for each programme in universities/colleges shall be determined by KUCCPS based on applicants' choices and their performance in the relevant subject clusters. Previous cut off points where applicable will be provided as a guide to applicants.

4. **Application by Applicants**

4.1. **Applicant Eligibility**
For a candidate to be eligible to apply for placement, the following conditions will apply:

ii. Sponsorship will be eligible to the immediate KCSE applicants preceding the selection for placement provided that each cohort of KCSE applicants shall be considered after their results are released.
